NEW YORK ADVANCED ACADEMY

MAKEUP

Hair and makeup are two distinct forms of artistry, but during a photo shoot, they merge to create one picture-perfect look. Co-taught by coveted editorial hair stylist Jon Reyman and two-time North American Makeup Artist of the Year Janell Geason, this unique two-day course gives you the opportunity to participate in an editorial photo shoot and creatively collaborate with a hairstylist. On day one, you'll perfect your own forte and learn how to create camera-ready makeup looks. Then you'll be paired with a hairstylist and tasked to brainstorm, design and execute complete hair-and-makeup looks on models who will be photographed on day two by a professional photographer. At the end of the course, you'll have editorial experience under your belt and attention-grabbing photos in your portfolio.
