

RAZOR & BALIAGE

NEW YORK ADVANCED ACADEMY

The ability to create freestyle art is the mark of a true artist. This three-day course leaves conventional hair cut and color techniques behind and teaches you how to combine razor cutting with baliaage—the art of applying hair color without using foil. Fine-tune your razor skills and create hair cuts that show off the beautiful spontaneity of placing pieces of color into the hair. After three days of intensive practice and inspiration, you'll return to your salon ready to offer a new service to guests that results in diffused, wearable hair and dimensional color that is perfectly improvised.
