

# CORE CUTTING ESSENTIALS

NEW YORK ADVANCED ACADEMY

## LEARN

Cut straight to the heart of your scissor-cutting skills in this one-day workshop that will transform your talent from the inside out. You'll break down a well-executed hair cut into its core components—from proper hand and body positioning to essential cutting techniques—and fine-tune your technical skills until they shine. After putting your refined cutting techniques to the test on mannequins and a live model, you'll return to your chair with a renewed energy to deliver strong shape, lines and form in every hair cut and set the groundwork for a great hair-cutting reputation.

- Two hair cuts created from core scissor-cutting techniques
- How to create flawless lines cutting through the comb and with the back of the hand
- Seamless graduation cutting from palm to palm
- How to craft weightless layers by cutting over the hand
- Good habits to ensure proper body positioning
- Flat wrapping and flat ironing for a smooth finish
