

# Hair Color Magic **SHAPES PLACEMENT**

NEW YORK ADVANCED ACADEMY

## LEARN

In the world of hair color, shape changes everything. This innovative color workshop will teach you how color placement and formulation are impacted by different head, face and hair cut shapes. Explore how to adapt placement techniques to a wide range of shapes, and put your knowledge to work on models. You'll leave the course with the inspiration, experience and confidence you need to create flattering color that works with all hair cut shapes.

- How head, face and hair cut shapes affect your color outcome
- Formulation and placement techniques to create texture and contrast
- How to choose the correct level and tone to produce different color effects
- Variables of color placement
- Four different color placements and how to adapt them to varying shapes
- Sectioning patterns and how they determine your application for different shapes
- How to create a hair color focal point
- How to use weight lines to create designs

## CANCELLATION POLICY

Aveda Education will provide a full refund to participants who cancel more than 15 days before the course start date. Participants who cancel less than 15 days before the course start date or are "no shows" will forfeit the full course tuition, regardless of registration date. Participant substitutions can be made at any time without penalty. Participants attending complimentary courses must reserve their space with a credit card. If the participant completes the entire course, their credit card will not be charged. If the participant does not attend the entire course, is a "no show" or cancels less than 15 days before the course start date, their credit card will be charged a \$25 fee. Aveda Education reserves the right to cancel or reschedule courses at any time. If a course is cancelled due to low enrollment, the course will be rescheduled or participants will be fully reimbursed.
