

MASTERING DIMENSIONAL COLOR

NEW YORK ADVANCED ACADEMY

Give your hair color maximum depth and dimension by thinking in geometric shapes—from the shape of your placement to the outline of the hair cut. In this two-day, interactive course, you'll master the fundamentals of how shape impacts your hair color design. From visualizing shape placements to manipulating hair cut shapes with clever color applications, you'll gain a three-dimensional perspective of hair color. You'll also learn how to create distinctive section patterns of your own design—and gain insight on how and when to replicate your ideas in the salon.

LEARN

- How shapes influence hair color design
- How to visualize hair cuts and color placements three-dimensionally
- Placement techniques to achieve the most dimensional hair color
- The art of creating your own section patterns
- Which hair color shapes and placements will look best on your guest
